A Blade So Black Kindle Edition - amazon.com A Blade so Black has just enough elements of the original story to excite Alice in Wonderland fans but not so many that it's boring to read, I thought L.L. McKinney hit the balance perfectly there and I really enjoyed the way she made so many nods to the original but took characters we already know and love and still managed to make them her own. Blade - Wikipedia A blade is the portion of a tool, weapon, or machine with an edge that is designed to puncture, chop, slice or scrape surfaces or materials. Blades are typically made from materials that are harder than those they are to be used on. Historically, humans have made blades from flaking stones such as flint or obsidian, and from various metal such as copper, bronze and iron.
